

PRODUCT INFORMATION SUMMARY

BRiTEX Enzyme Deodoriser Digester

biological enzyme carpet deodoriser

Description of Product

Enzymatic action, natural and effective odour eliminator. Breaks down organic soiling and stains. Powerful citrus scent, immediate relief from foul smells. Ideal for washrooms and use on carpets. Safe for use on all types of absorbent surfaces.

Product Uses

Suitable for use on a wide range of carpets, absorbent surfaces and fabrics. BRiTEX Enzyme Deodoriser Digester may also be used in and around sanitary ware, drains, waste pipes and tiled surfaces to prevent unpleasant odours in the washroom and housekeeping environments.

Directions

Dilute 5 parts water to 1 part BRiTEX Enzyme Deodoriser Digester and apply directly to the area of soiling and leave to work (do not rinse). BRiTEX's Enzyme Deodoriser Digester micro-organisms produce enzymes which immediately begin to digest the organic matter breaking down the stain and eliminating odour. The strong citrus fragrance provides immediate relief from unpleasant odours until the biological action is complete. The biological action continues until the organic matter is completely consumed or until the area dries. BRiTEX Enzyme Deodoriser Digester may be re-applied (in stronger concentration or neat) as required without any risk of over use. NB : This product is not to be used in conjunction with any disinfectants or sanitizers.

Technical Data	
Composition	A unique biologically active formulation containing specialised bacterial strains and biodegradable cleaners
Appearance	Milky thin liquid
Colour	White
Density	1.000
pH	7.0
Fragrance	Strong Lemon
Stability	2 Years at ambient temperatures

Product Hazards and PPE Requirements	
Risk Phrases R36 Irritating to eyes.	
Safety Phrases S23 Do not breathe vapour/spray., S25 Avoid contact with eyes., S26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice., P14 Contains d-LIMONENE. May produce an allergic reaction., S51 Use only in well-ventilated areas., S2 Keep out of the reach of children	

Environmental Profile			
Biodegradability All surfactants contained in BRiTEX Products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO2 and water.
